EC CERTIFICATE
OF FACTORY PRODUCTION CONTROL

č. 1020 – CPD – 070038635

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product:

**Metal insulated chimney systems, rigid and flexible flue liners
operating in negative and positive pressure, intended for
discharge exhaust gases to the atmosphere**

type: Insulated negative pressure chimney system type KF, HT, SLIM
Insulated positive pressure chimney system type SPS IZOL
Metal negative pressure flue liner type KF, OWAL
Metal positive pressure flue liner type SPS
Metal flexible negative pressure flue liner type STALFLEX

placed on the market by:

KOMIN-FLEX Sp. z o.o.

43-200 Pszczyna, ul. Górnosłaska 1, Poland

and produced in the factory:

KOMIN-FLEX Sp. z o.o.

43-200 Pszczyna, ul. Górnosłaska 1, Poland

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No.

1020 - Technical and Test Institute for Construction Prague

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 1856-1:2009

EN 1856-2:2009

were applied.

This certificate was first issued on 21 December 2009 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. This certificate includes eight annexes (8 pages) which are integral parts of the certificate.
